Measurement Form

Step 1: Getting Fitted:

Bring this form when you get measured and ask the specialist to complete the box below. It is important to note that a proper fit is based on the quality of measurements taken, so please do not substitute your typical suit sizes.

Step 2: Submitting Measurements:

Visit our website www.Folchis.com, then click the "Submit Measurements" tab. After selecting your desired pick-up location, please enter the information from the box below as it prompts you on the website. Please note, orders cannot be placed without a credit/debit card and ID on file.

Step 3: Pick-up Day:

On your scheduled pick-up day which is usually 2 days prior to the wedding date at your selected Folchi's location, you will try-on your garments. During this final fitting, any adjustments or re-orders can be taken care of during this time. Please allow enough time so we can ensure the best fit.
